

ATC Operations at Gary Tower (GYG) and in Chicago Area Airspace

Charles Crampton is our guest speaker for this session, and will talk about arrivals and departures from GYG. He will discuss the rise in runway incursions through the Greater Chicago Area and offer ideas on how to help lower these types of incidents.

Charles is the Air Traffic Control Manager at Gary International Airport (GYG) and has over thirty years experience in air traffic control.

Directions: For those driving in, park in the west parking lot. Those flying in may park on the ramp.

A message from the National FAASTeam Manager
